

The year of 2009 is quickly coming to a close, and perhaps by the time you read this it will indeed be a new year. I pray when you stop to reflect on the year 2009, you will be able to point to moments and experiences where God was faithful! It is always good to write down the blessing of how He met your needs and answered your prayers...especially at the close of one year and the beginning of the next.

Writing out our blessings also reminds us that it is a good time to put our estate in order and let it reflect our love for Him in how He has been faithful through the years.

If you don't have estate planning documents, especially documents that remember the Christian ministries you love to a part of, let Central Canada Planned Giving (Stewardship Ministries) help you obtain these documents. Now is a great time to sign a new or updated will, as well as selecting a representative to make decisions on your behalf if you were unable to do so for yourself. We can provide you with a Will and Trust Planning Guide to help you protect your estate and family. This will help you in thinking through your needs and also help your lawyer in preparing your final documents.

You may also be interested in having "Friends for the Future" come to your church and present "The Basics of Estate Planning" workshop.

Please feel free to contact me for yourself personally, or for your church at any time.
